2012 Toy Fair preview

Here are some toy highlights on display from companies at Toy Fair, held at New York City's Javits Center beginning Sunday.

Domo

Everything is coming up Domo at Toy Fair. There will be all sorts of different incarnations of the popular little Japanese monster with the lovably sharp teeth from Big Tent Entertainment and Dark Horse Comics. Domo sock monkeys, Domo sculpted coffee mugs, Domo black light vinyl figures (seen here) and much more.
