KIWI Magazine Picks – Apps for iPad

REVIEW BY MARY TALALAY

PRODUCT INFORMATION

KIWI Magazine Picks – Apps for iPad

PRODUCT TYPE: [Apps](#)

AGE GROUPS: [Children, ages 4-8](#), [Children, ages 9-12](#)

CATEGORIES: [Christmas](#), [Games](#), [Hanukkah](#), [Kwanzaa](#)

Discovery Sharks (\$4.99, iPad, ages 4+)

<http://itunes.apple.com/us/app/discovery-kids-sharks/id468416145?mt=8>

Prepare to be amazed by the footage of graceful sharks doing what they do best. The games on this app enable kids to help their favorite shark find the right food and hit the "bite" button (they have to be able to identify the right food for each shark to earn points). The best part is that there is an educational component, but it is cleverly disguised as a fun app. Love this
